INDICAZIONE GEOGRAFICA TIPICA

WINEMAKING

Founding wine and starting point of the Romeo&Juliet project; a red wine like love and passion. A blend of Corvina and Croatina with a percentage of Merlot that the drying period makes even softer. The hand-picked grapes are left to dry in wooden crates inside the Fruttaio, where the berries, thanks to humidity control and air recirculation, lose around 30% of water and reach a higher concentration of sugars. As the grapes have different ripening times, vinification takes place separately in steel fermenters and only then is the blend created. PassioneSentimento matures in oak tonneaux for 6 months.

TASTING NOTES

A dense and deeply coloured wine, full of concentrated black and red cherry flavour, and hints of leather and spice. The palate has a layered texture, with muscular tannins providing a long finish.

PASSIONE E SENTIMENTO Four bottles born out of the Pasqua family's passion for wine, its long-standing tradition and its strong link with its city of origin, Verona, with its history, culture and beauty. If wine "is the Poetry of the Earth to the Heavens", as Mario Soldati said, it is also a story, and this wine tells the love story that made Verona famous all over the world, that of the sweethearts Romeo and Juliet. A legend, a place, a myth that attracts thousands of tourists every day to visit one of the most romantic places and invites them to leave and exchange messages of love in the courtyard of "Juliet's house". An original photograph of the Juliet's courtyard by photographer Giò Martorana has become the only look for these wines, an unmistakable element of their identity.
