

NON-ALCOHOLIC ZERO ALCOHOL BUBBLES

Non-alcoholic drink
made from dealcoholized wine

Non-alcoholic drink made from wine subjected to
a respectful de-alcoholization process that kept the
aromas and flavors of the original product intact.

ORGANOLEPTIC PROPERTIES

Color: Straw yellow with
bright, brilliant reflections

Scent: Delicate, it recalls
ripe fruit and yellow flowers

Flavor: Creamy, with
well-integrated sugary notes

Perlage: rich and silky

SERVING SUGGESTIONS

Serving temperature: Serve chilled
at a temperature of 4-6 °C

Pairings: Versatile, capable of
enhancing both fish-based
dishes such as fried calamari and
white meat-based first courses;
but it is also an excellent
accompaniment for fruit and
dry desserts.
